NPPF Review - Timetable

The MHCLG recently wrote to all Chief Planning Officers as follows

"NPPF timetable update

We are currently revising the NPPF in order to implement our planning reform package from the housing White Paper, the Planning for the right homes in the right places consultation and the announcements at Autumn Budget. We intend to publish a draft revised NPPF before Easter. We will consult on both new policies from the Budget, and the text of the Framework, to make sure the wording is clear, consistent and well-understood. Our ambition is to publish a final revised Framework in the summer. "
